

Resuscitation Council UK Recommended Summary Plan for Emergency Care and Treatment (ReSPECT) Subcommittee Member

Resuscitation Council UK (RCUK) is excited to invite applications from healthcare professionals who currently work as a Resuscitation Practitioner to join the ReSPECT Subcommittee.

This voluntary post is an important opportunity to contribute to the ongoing development and utilisation of the ReSPECT process across the UK.

As a member of the RCUK ReSPECT Subcommittee, you will be involved in:

- The continued development of the ReSPECT process, including reviewing recommendations for changes to the ReSPECT process and plan.
- Providing direction and retaining oversight of adoption and implementation across the UK.
- Producing and approving guidance for use in areas that have adopted the ReSPECT process.
- Fostering and developing good working relationships with other organisations to improve the adoption and implementation of ReSPECT across the UK.

You will gain experience in quality assurance, liaising with a diverse range of stakeholders and reviewing and advising on operational aspects of ReSPECT in clinical practice, and considering how this could be incorporated into the ReSPECT process and supporting materials.

You will be expected to:

- Attend three ReSPECT subcommittee meetings a year, which are held either virtually or at the RCUK office in London (reasonable travel expenses to attend meetings are provided). Additional meetings may be organised when there is a definite need identified.
- Do a variable amount of work in your own time. This typically equates to two hours a month.
- Contribute specialist Resuscitation Practitioner expertise to the subcommittee, ensuring clinical and operational drivers and challenges relevant to the ReSPECT process are represented and inform its ongoing development.

If you are interested in this opportunity and would like to discuss it further, please email Tom Wood, Clinical Lead for ReSPECT at tom.wood@resus.org.uk.

To apply, please send your CV with a short covering letter explaining why you would like the role to info@respectprocess.org.uk by 31 May 2026.
